Erma Bombeck wrote, "When the Lord was creating fathers he started with a tall frame. An angel standing nearby said, 'What kind of father is that? If you're going to make children so close to the ground, why have you put fathers up so high? He won't be able to shoot marbles without kneeling. He won't be able to tuck a child into bed without bending. He won't even be able to kiss a child without stooping.' God smiled & said, 'Yes, but if I make him child size, who will the children have to look up to?'

The month of June comes with more celebrations and this time with DADs. We salute dads who play such an important part in the lives of their children. We are living at a time when the role of males is being challenged daily and it's becoming more difficult to carry out their God-given responsibility.

Joshua 1:9 "Have I not commanded you? Be strong & courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you wherever you go."

Here are three encouragements for Fathers:

1. God didn't wait for you to meet His expectations or wait for you to make Him proud.
2. God didn't wait until you measured up to His standards....He loved you first...complete, constant, unconditionally.
3. It may sadden Him when you disobey, sadden Him when you stray, but he never stops loving.
